DETAILED ACTION

Preliminary Amendment

1. Amendments to claims 1 and 14 have been entered in the above-identified application. **Claims 1-14 are pending.**

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 1-14 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claims 1 and 14 recite the phrase "mirror-like". The phrase "mirror-like" renders the claims indefinite because the claims include elements not actually disclosed (those encompassed by "like"), thereby rendering the scope of the claim(s) unascertainable. See MPEP § 2173.05(d).

Claim 11 recites fine metal grains "selected from a group consisting of aluminum, gold, silver, copper, brass, titanium, chromium, nickel, nickel chrome, and stainless steel". However, brass, chrome and stainless steel are not metals.

Claims 2-13 are dependent on claim 1 and hence contain the indefinite limitation of claim 1.
